

OYM Summer Camp 2024

What To Expect

WHAT TO EXPECT AT OYM SUMMER CAMP

Your child can experience what could be one of the greatest weeks of their entire life. Away from the craziness and fullness of everyday life, campers are thrown into a realm of positive peer pressure, encouraging them to pursue their relationship with God, build friendships, and stretch their comfort zone through daily activities. Camp is one of the best ways your child can be disciplined for a week by living 24/7 with others who love Jesus, influencing them towards a lifetime pursuit of Him.

So what does a week of camp look like!? Can you say “exciting,” “intense,” or “extreme”? This is why camp is loved by many students! While at camp, they will play team sports outside (some messy games), swim in the pool, and have special services and sessions encouraging them in their relationship with God. During this time, your student will be challenged and pushed to be a part of a team. Students will experience growth with their Support Staff and others in their room through the games on the field and the services at night.

ROOMING

- Bunk style rooms
- Restrooms and showers provided within the building
- One adult leader per room (age 20 minimum to be Support Staff)
- The highest potential student-to-leader ratio in a room is 1:11
- Campers are automatically assigned to rooms with other campers from the same church
- Campers attending without a church group are assigned to rooms with other campers of about the same age/grade

GENERAL CAMP RULES

These rules are given as guidelines for every student to follow. This code of conduct has been established for the protective benefit of each student. They must be observed at all times. Failure to comply with the camp rules can result in expulsion from camp with no refund.

- The daily schedule must be followed, and attendance at all activities is required.
- No one is to leave the campgrounds without specific permission from the Camp Director and the appropriate forms completed.
- Students are expected to observe personal and group cleanliness habits, courtesy, and Christian conduct.
- Males and females are not allowed in each other's housing dormitories.
- Dress Code: Guests are to be modestly attired at all times. While comfort is important, all shorts, pants, shirts, and dresses are to be "size-appropriate" with no objectionable or suggestive slogans, artwork, or revealing style. Modest swimwear is required by anyone using the pool area. *See the Dress Code section for further details.
- Cell phones, MP3/CD players, radios, airsoft guns, and paintball guns are not permitted. All such items will be collected from campers and returned at the end of camp.
- Special Government/Camp Statement: Fireworks, smoking, drinking of alcoholic beverages, and drugs are not allowed on the campground.
- We reserve the right to inspect the contents of all personal belongings. The holding and/or disposal of improper contents is the right of the camp staff.
- Camp Activities are open only to registered campers and staff. No visitors are allowed. Evening services are not open to the public, visiting youth groups, friends, or family members. Any persons coming on the grounds must have prior District Youth Director's approval.
- Profanity will be NOT tolerated on the campgrounds at any time.

CAMP DRESS CODE

Our dress code at camp is based on the biblical principles of modesty, neatness, and appropriateness/safety for activities. The following guidelines are for both students as well as Camp Staff. Please help us by setting an example for your campers and communicating these guidelines to them. If camp security deems an outfit inappropriate, they will ask the individual to promptly change into something better suited for camp.

- No undergarments or midsections showing.
- Shorts must be “fingertip length.” This means that the hem of these articles of clothing must be the approximate length of the campers’ fingertips when the hands are relaxed at their side.
- Skirts and dresses are to be no more than 3 fingers above the knee when standing.
- No clothing with inappropriate symbols or messages on it (including alcohol, tobacco, or sexually suggestive language or images)
- No halter tops, tube tops, bare midriff tops, or spaghetti strap tops.
- Only modest swimsuits are permitted to be worn at camp. Campers could be asked to wear a dark color t-shirt if the suit is deemed inappropriate.
- When walking back and forth from the pool, all swimmers must wear shoes/sandals and a cover-up over their swimsuit.
- Shirts must be worn at all times unless swimming
- Shoes or flip-flops must be worn at all times (except when swimming)
- Open-toed shoes are not permitted to be worn during activities (Team Sports and Smash Hours)
- Tattoos and body piercings must be unobtrusive and of non-controversial content. Some piercings may need to be removed for safety purposes.

SCHEDULE DEFINITIONS

Services

Our services start with 15 minutes of focused prayer, then worship, preaching, and an altar call. We feel that the nightly services are one of the most important aspects of camp, and we will move the schedule around to allow for extra time for the Holy Spirit to move.

Smash Hours (High-Intensity Group Activities)

Smash Hours are high-intensity group activities your student will be participating in with their team. Some examples are:

1. Acid Rain - This treasured relay race has every team facing a large barrel that will be filled with balls and guarded by an angry fire hose. The object of the game is to, in relay race fashion, send one person at a time to go through an obstacle, take a ball out of the barrel, and then return with the ball (not through the obstacle). The next person in line will put the ball back into the barrel. The balls are your baton, and the students are your horses. Giddy-up!
2. Pony Express - This final event separates the winners from the whiners as you attempt to conquer this legendary camp race. It's an entire team-encompassing, entire-camp-encompassing, gigantic relay race. 35 individuals compete in events and then hand the baton to the next team member until all are accomplished. Your entire team will then run across the finish line. You will need to use your time wisely during the week to prepare for this final event. Start your recruiting now!

Midday

After lunch every day, there will be a "hyped" time for the Activity Directors to announce the results of games, room checks, and scores. You will need to have your team ready to cheer loudly, be unified, and be enthusiastic.

Room Checks

Every day every room can score points for your team with clean rooms. The Activity Directors will check your rooms for these 3 C's = Cleanliness, Creativity, and Caring. Cleanliness is a good-smelling and tidy room. Creativity is doing something creative to your room to make the activities directors smile, like decorating it to a theme (please ONLY use blue painter's tape or sticky tack to decorate the walls). On Thursday only, Caring is leaving some snacks and drinks as "bribes" (optional). If you "WOW" the activity directors, you'll get even more!

Free Time

There will be free time each day for swimming and relaxing.

WHAT NOT TO BRING

Immodest clothing

CD players, radios, MP3 players

Cell phones*

Electronic games

Skateboards

Non-essential medications (Tylenol, NyQuil, etc...). If needed, we will provide non-prescription medicine as long as the medical waiver is signed.

*Note: students must turn in cell phones at registration. They will be returned on Friday. Cell phones discovered in students' possession during camp will be collected by the room leader and turned in to the Camp Office.

MEDICATIONS

All medications must be turned in to the Health Officer during registration. Medications **MUST** be brought in their original containers! **No exceptions.** The Health Officer will be available throughout the week to dispense medications as prescribed. *Your student will NOT be able to self-carry their medication if the medical form is not filled out by a doctor and brought to camp. This includes but is not limited to, asthma inhalers and EpiPens. You can find the self-carry form on our website (oymnetwork.com/summer-camp).

CAMP BANK

A camp bank exists so campers can avoid accidental loss of their money. Campers may deposit their money during registration on Monday. If a student wants to purchase snacks at The Snack Shack or Merch Store, they just need their name to electronically pay! Any remaining balance can be picked up from the bank on Friday morning before leaving camp or donated to missions. Money not picked up from the Camp Bank on Friday will automatically be donated to Speed the Light.

SPEED THE LIGHT

Each year, we take time before our evening services to focus on our Ohio missionaries who count on Speed the Light to do what God has called them to do. Please be prepared to give at the beginning of these services. We have a goal of \$45,000 between all the weeks of camp and know we can reach it through the generous giving of our leaders and students!

MAIL

Campers enjoy getting mail! You can mail letters and cards to

(Camper's Name and which camp week)

Heartland CRC

3201 CR 225

Marengo, OH 43334.

Please allow sufficient time for the mail to arrive during Summer Camp by mailing at least a week in advance. Please indicate on the envelope which week of camp your camper is attending. The Camp Staff makes every attempt to deliver mail to campers, but this delivery cannot be guaranteed. Do not send money or valuable items.

LICE TREATMENTS

The Lice Center of Ohio will perform a lice check on every camper during registration on the first day of camp. If lice are found, the Lice Center of Ohio staff can provide immediately effective treatment to the camper and their belongings for a charge of \$45. Following the treatment, the Ohio Ministry Network staff will email the camper's parent literature from the Lice Center of Ohio detailing the treatment method, information about follow-up treatments, and a bill for the \$45 (payment to be remitted to Ohio Ministry Network).

SOCIAL MEDIA

Ohio Ministry Network will retain a volunteer photographer to capture pictures and videos of the camp activities. These pictures and videos may be posted to the Ohio Ministry Network and Ohio Ministry Network social media accounts. The purpose of sharing pictures and videos of camp is to give parents and friends of OYM a glimpse of the exciting happenings at camp. Campers love to see the pictures and videos after camp!

If a camper's picture may not be shared on social media due to custody issues, foster child status, or other safety concerns, there is a place on the registration to indicate so. Campers who may not have their picture shared on social media will be given a special wristband to wear during camp to help photographers, and those posting pictures to social media are sure that their identity is protected.

PHONE CALLS

Campers are not permitted to call home without the Director's permission because this promotes homesickness. Parents should not call the camp and expect to speak to their children. In case of an emergency, camp directors can be reached at 740-747-0220. There are no public phones available for campers to use.

NO VISITORS

For safety and security reasons, the campgrounds are closed to all visitors.

LOST & FOUND POLICY

There is a \$15.00 handling charge to return any lost and found items, regardless of size, weight, etc. A check must be received at Heartland before the item(s) can be returned. Lost and found items will be held for 7 days after an event. After the 7 days, items will be discarded or donated depending on the item.

CAMPER DROP-OFF AND PICK-UP

Registration Check-In for Summer Camp is Monday morning from 9:30-11:30 AM. Campers can be dropped off at any point during that time. Campers must be picked up at 1:00 PM on Friday.
